Sir,

With reference to correspondence ending with your letter No. 1493 L.B. 22-16-6 dated the 23rd August 1916, stating that, if necessary, revision of the scale of pay may be proposed for the appointment of Chief Sanitary Inspector in accordance with the Budget and revision of establishment rules, if the pay sanctioned for the appointment is not adequate, I have the honour to submit herewith a copy of the Sanitary Board's resolution No. 8 arrived at, at their Meeting held on the 22nd December 1916. The Resolution is as follows:-

"In order to give a proper status for the due performance of supervision over collection and public works, the position of the Chief Sanitary Inspector may be revised and made that of an Amildar, and the pay of the appointment may be fixed at Rs. 150/- the present Horse Allowance of the Chief Sanitary Inspector which is Rs. 20, and the allowance of Rs. 30 already approved by the Board being consolidated with the existing pay of Rs. 100".

2. The appointment of the Chief Sanitary Inspector under the Board is a very responsible one for reasons already explained in the previous correspondence on the subject, and the pay attached to the appointment is not adequate for the responsibilities attached to the post.

3. It seems best to revise the position of the Chief Sanitary Inspector in such a manner that he will have the proper status

necessary for doing satisfactorily his supervision work over collection and public works, while, at the same time, without having to make any provision for promotions out of their own funds, the Sanitary Board can arrange to have transferred to the State Service, the officer, who has already worked for a number of years under the Board, and is naturally looking for chances of promotion, and get, in his place, another from the State Service, who can afford to remain in the Service of the Board for a number of years. It is, for this reason, that the Board has arrived at the Resolution quoted in para 1 supra.

4. Mr. Krishnaswamy Pillai, the present Chief Sanitary Inspector, who is fully qualified by his having passed all the required Local

 Criminal Higher.... May 1914.
 Revenue Higher.... May 1913.
 Accounts Lower.... May 1914.

 Tests, as stated in the margin, and who is also a Matriculate, quite deserves the status of an Amildar and may be given the proposed position and status, with the consolidated pay of Rs. 150.

5. In case Mr. Krishnaswamy Pillai is transferred to the Revenue Department as an Amildar or is otherwise provided for in the State Service, the Sanitary Board can arrange to take, on loan, the services of an Officer of any Department of the State, whose services will be useful.

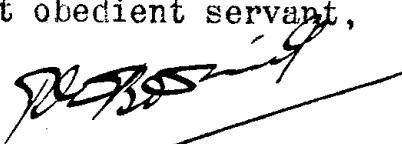

6. Under the circumstances, I have the honour to request that the sanction of Government be obtained for the Board's proposal, the extra cost involved being met, as already proposed, by reappropriation of grants under "D 11 Miscellaneous Unforeseen Expenditure" in the current year's Budget Estimates of the Board.

7. A Proposition Statement, in the prescribed form, is also submitted herewith.

I have the honour to be,

Sir,

Your most obedient servant,

 President,

Sanitary Board, K.G.F.
